Dear [REDACTED]

I write in response to your email of 10 June 2014 in which you requested information about the LSB's ICT services. I can confirm that LSB holds the information that you have requested.

**Full details of your organisational structure for your ICT Department, including ICT security, infrastructure, risk, governance and compliance – in addition please include names, job titles and email addresses**

- The LSB is a small organisation of 30 staff. We do not have a dedicated ICT department or staff. This service is fully outsourced.

**Full details of your top 20 suppliers of ICT services and a brief description of the nature and values of the contracts held by them – in addition please include top 10 suppliers who deal with security of your back office and infrastructure**

- All of our ICT services, including security and back office infrastructure is outsourced and managed by our service provider, Co-Operative Systems, a local IT support services company. The value of this contract is just over £50k per annum

I hope that this has been of assistance, but if you are dissatisfied with this response to your request for information, you have the right to ask for an internal review or to submit a complaint (see LSB's Freedom of information – Complaints procedure:
