Dear Chris

**Re: Response to LSB consultation paper  
Further Rules relating to the regulation of licensed bodies**

Thank you for the opportunity to comment on the questions raised in the Consultation Paper.

I confirm that the CLC has considered the Consultation Paper so far as it relates to the CLC. It has no comments to make in response to the specific questions posed. The CLC is content for rules to be made as set out at Annex A and for a statutory instrument to be made as set out at Annex B.

Yours sincerely,

Simon Blandy  
Director of Policy and Standards
