FoI request (Ref: 20200623-02)

Thank you for your request for information regarding “copies of the receipts from all the other Board Members” [in relation to ongoing correspondence with the LSB Chair].

We provided all Board members with copies of all correspondence in relation to your complaint. Individual Board members were not asked to provide receipts for the material provided to them (and it would not be our normal practice to do so), and therefore we do not hold the information that you have requested.

In the spirit of helpfulness, however, we are able to provide you with information relating to their views on the matter, namely that all Board members were content with the way that your complaint had been handled, save for David Eveleigh who did not respond.

Each Board member’s view on the matter are set out below:

I have read all this and am entirely content with the approach adopted [Michael Smyth]

I am entirely in agreement with the proposed approach [Catharine Seddon]

I am content with approach taken [Ian Hamer]

Content [Marina Gibbs]

Fine by me [Catherine Brown]

Agreed [Jemima Coleman]

If you are dissatisfied with this response to your request for information, you have the right to ask for an internal review / to submit a complaint (see [LSB’s Freedom of information – Complaints procedure](#)).

If you are dissatisfied with the outcome of your complaint, you may refer the matter to the Information Commissioner for a decision. Please be aware that the Commissioner will be unlikely to make a decision until you have been through our internal complaints procedure first. You can write to the Commissioner at:
