

Meeting: LSB Board Meeting

Date: 21 March 2023

Item: Paper (23) 19

Title: ARAC Annual Report

Author: Ethan Fleming, Corporate Governance Manager

Status: Official

Introduction: Purpose of the paper

1. The Terms of Reference (ToR) for the ARAC provide that:
'The Chair of the Committee will produce and present to the Board on an annual basis a report summarising the activities of the Committee and the outcomes of its work. This report will be presented to the meeting of the Board that is scheduled to consider and agree the LSB's Annual Report and Accounts for the preceding financial year'.
2. This paper covers a report (at **Annex A**) for the period 1 April 2022 to 31 March 2023 for consideration by the Board at its meeting on 21 March 2023. The report will inform the LSB's *Annual Report and Accounts 2022/23*.
3. The report concludes that the Committee's activities during 2022/23 provide sufficient assurance to the Board that there were effective arrangements in place to provide assurance on risk management, governance and internal control.
4. The current ToR are attached at **Annex B**. (Last reviewed as part of the 2022 Governance Manual Review – agreed 29 November 2022).

Recommendation

5. The Board is invited to **agree** the report at **Annex A**.

Annex A ARAC annual report 2022/23

Overview of the Committee and its ToR

1. The principal responsibilities of the ARAC are to review and to offer its views about such matters as may be referred to it by the Board or the Accounting Officer, or such other relevant matters as the Committee may determine, in accordance with its agreed ToR.
2. [The Corporate governance in central government departments: code of good practice](#)¹ requires Boards to ensure that effective arrangements are in place to provide assurance on risk management, governance and internal control. In this respect, Boards are required to be advised independently by an Audit Committee and an internal audit service.
3. The principal responsibilities of the Committee are set out in agreed ToR, which are published on the LSB's website. These responsibilities include, as appropriate, receiving and considering reports from both independent internal and external auditors, respectively Crowe LLP (the Internal Auditor) and the National Audit Office (NAO – the External Auditor).

Membership and attendees

4. The Chair and other members of the Committee are appointed by the Board, in accordance with the Legal Services Act 2007 and the Committee's ToR. The quorum for a meeting of the Committee is three members.
5. The Members of the Committee in 2022/23 were:
 - Catharine Seddon (Chair) (Lay) (Until June 2022)
 - Gary Kildare (Lay)
 - Catherine Brown (Lay) (Chair) (From June 2022)
 - Stephen Gowland (non-Lay) (From October 2022)
6. Representatives from Crowe LLP and NAO were represented, as appropriate, at meetings of the Committee. Regular attendees also included:
 - Matthew Hill (Board Member, Chief Executive and Accounting Officer)
 - Holly Perry (Director, Enabling Services)
 - Danielle Viall (General Counsel)
 - Stuart Hamill (Head, Finance and IT)

7. The Secretary to the Committee was the Corporate Governance Manager. Other LSB colleagues attended as necessary, for example colleagues have attended to present deep dive reports on areas of risk. Other SLT members have also attended to observe meetings.

Observance of Terms of Reference

8. The ToR require the Committee to meet at least three times a year. During 2022/23, the Committee met four times, on the following dates:
 - 6 June 2022
 - 5 October 2022
 - 15 November 2022 (a meeting scheduled to consider the draft budget)
 - 8 March 2023
9. A register of attendance at meetings is attached (**Annex C**).
10. In accordance with its ToR, the Committee monitors its own effectiveness in discharging its functions. For 2022 this formed part of the external board evaluation exercise.
11. The Committee operated in a manner considered to be compliant with its ToR and when it was not quorate it ratified its decisions via correspondence. There were a number of occasions where meetings were not quorate. To mitigate this occurring in the future once new Board Members are appointed the committee will increase to four members. Recruitment is also taking place to appoint an independent, financially qualified advisor to the committee. Whilst this will not help with quoracy, it will help ensure the Committee has the skills required.
12. The Committee confirms to the Board that the ToR attached at **Annex B** remain current and that no changes are necessary at this time.

Main activities

13. The Committee's regular activities in 2022/23 included:
 - sitting as a Finance Committee to scrutinise the LSB budget;
 - review and scrutiny of the LSB's Annual Report and Accounts 2021/22;
 - review and scrutiny of the activities of the External Auditor;
 - review and scrutiny of the activities of the Internal Auditor;
 - review and scrutiny of risk management and controls, including the annual review of the LSB Risk Management Statement;
 - review and scrutiny of the LSB Governance Manual; and
 - oversight of the Committee's business programme, ToR and its effectiveness/performance.
14. Specific activities and matters considered in 2022/23 included:
 - the LSB's approach to sector surveillance;
 - an annual review of FoI requests received by the LSB in 2021/22; and
 - a deep dive in relation to communications.

15. Members also met in private sessions with the Internal, External auditors and Accounting Officer, in rotation throughout the year.

Audit services

16. Internal and external audit services were provided, respectively, by Crowe LLP and NAO.
17. The NAO used an external audit firm, Deloitte LLP to undertake the detailed work to support the C&AG's opinion for the 2021/22 audit, presented to the June 2022 meeting. The NAO has contractual arrangements and safeguards in place to ensure that framework partners are independent, competent and objective.
18. The Auditors were represented, as appropriate, at all meetings of the Committee.²

Internal Audit

19. The Committee noted the *Internal Audit Planning Report*, covering the relevant period, at its meeting on 8 March 2022.
20. The internal audit work programme covered:
 - Practicing Certificate Fee – *substantial assurance*
 - Regulator EDI – *substantial assurance*
 - Business Continuity Planning (BCP) – TBC (see para 21 below)
 - Recruitment and Retention – *substantial assurance*
21. In response to timing and capacity issues at the LSB, the planned audit on BCP was moved from Q4 2021/22, to the early part of the 2023/24 financial year. In its place, an audit on transparency was planned to be undertaken before the end of Q4 2021/22.
22. The Committee concluded that the Executive has responded positively to audit findings and has taken, or is in the process of taking, action to implement agreed recommendations from all Internal Audit reports. Progress against internal audit actions are tracked and reported on at each Committee meeting.

External Audit

23. The Committee noted the contents of the NAO's Audit Completion Report for the previous year 2021/22 at its meeting on 6 June 2022, at which it was reported that:
 - the audit work had been completed and an unqualified audit opinion, without modification, would be given by the Comptroller and Auditor General (C&AG).
 - there were no concerns in relation to fraud risk.

² With the exception of the November 2022 meeting, where the agenda did not require them to attend

24. The Committee is due to receive and consider the NAO's Audit Completion Report 2022/23 at its meeting on 31 May 2023.
25. A final version of the LSB's Annual Report and Accounts 2022/23 is due to be considered by the Committee at its meeting on 31 May 2023. The Report will then be laid before Parliament before the summer recess, with the Board approving the Report, out of Committee, following any further amendments as a result of final scrutiny by the Committee.

Assurance processes

26. The Chief Executive meets members of the Senior Leadership Team individually at a frequency appropriate for each member. SLT members hold similar meetings with their reports and ensure that controls are in place on an ongoing basis. The SLT meets informally daily and formally monthly to approve policies, review exceptions, identify and act on lessons learned, to review the corporate risk register and undertake a horizon-scan review every quarter.
27. The Committee considers that ongoing management review and communication, supported by the findings of audits and MoJ oversight, give sufficient evidence to provide the Accounting Officer with assurance that systems are sufficiently robust and that the exceptions are materially insignificant.

Committee terms of reference, performance and reporting

Terms of reference

28. The Committee's current ToR were agreed by the Board at their meeting on 29 November 2022, following a review as part of the scheduled annual review of the LSB's governance arrangements.

Performance

29. The Committee has previously agreed that it will assess its own performance and effectiveness against good governance practice such as amongst other things the 'Audit and Risk Assurance Committee Handbook'³ and 'The Audit Committee Self-Assessment Checklist'⁴ every other year. This was last carried out in 2021/22 and all the actions from the review have been completed.
30. In 2022/23 ARAC performance was considered as part of the Board external evaluation exercise and subsequent actions may impact on ARAC. Overall, the report concluded that LSB governance was in a good position but ARAC in particular should avoid too many oral reports and ensure its membership was strengthened.
31. The ARAC Chair has attended quarterly MoJ Arms-Length Body ARAC Chairs' meetings and reports regularly on highlights and/or new resources available to ARAC members.

³ Audit Committee Handbook' (HM Treasury, published May 2013, updated 4 April 2016).

⁴ The Audit Committee Self-Assessment Checklist' (National Audit Office, 2nd edition January 2012).

Reporting

32. Oral reports of all meetings of the Committee were presented to the subsequent meeting of the Board, presented by the Chair of the Committee, or a nominated deputy.
33. In addition, this written report about the activities of the Committee in 2022/23 will be presented to the Board at its 21 March 2023 meeting.

Forward look to 2022/24

34. The Committee will continue to operate in accordance with its agreed ToR and annual business programme (**Annex C**). A work programme for 2023/24 is attached at **Annex D**.
35. There is likely to be a new Board Member appointed to the Committee during the year to reflect the updated Board composition. The Committee is also looking to recruit an independent lay advisor who is financially qualified to boost its skill set.
36. Finally, the Committee will continue with efforts to further improve its own performance.

Conclusion

37. The Committee concluded that its activities in 2022/23, including its regular challenge of the Executive and the Auditors, were sufficient to provide assurance to the Accounting Officer and Board that the LSB had effective arrangements in place in relation to risk management, governance and internal control.

Annex B

Responsibilities

- 1) The Board has established an Audit and Risk Assurance Committee to review and to offer its views about such matters as may be referred to it by the Board or the Accounting Officer or such other relevant matters as the Committee may determine, in accordance with these Terms of Reference.

 - risk management, financial and other controls, and the Governance Statement;
 - considering and scrutinising a draft of the annual budget of the LSB;
 - the accounting policies, the accounts and the annual report of the LSB, including the process for reviewing the accounts prior to submission for audit, levels of error identified and management's letter of representation to the external auditor;

- investigate any activity or topic covered by these Terms of Reference;
- request any information it requires from the colleagues, all of whom are directed to co-operate with any request for such information;

- 6) The Chair of the Board may not be a member of the Committee.
- 7) The Chair of the Committee may not also be the Chair of the Remuneration and Nomination Committee.
- 8) At least one ARAC member should hold a suitable financial qualification or background. - 9) The internal and external auditors will have free and confidential access to the Chair of the Committee.

Meetings

- 10) The Committee will meet at least three times a year.

Board Members will have a standing invitation to attend meetings of the Committee and will receive a full set of Committee papers prior to each meeting. Other colleagues will attend meetings at the invitation or direction of the Committee or the Accounting Officer.
- 15) The Committee will have the right to direct those attending a meeting to withdraw to facilitate the open and frank discussion of particular matters. The Committee may direct all colleagues to withdraw during private discussions with either or both the internal and external auditors.

Annual review of remit and performance

- 22) The Committee will assess its effectiveness on a two-yearly basis and will also review these Terms of Reference annually. It will submit recommendations for

any proposed changes to the Board for approval. The Committee's duties and activities shall be disclosed in the LSB's Annual Report and Accounts.
